Hotels in Development

From our first debut in 1999 to now, we've blossomed into a team of 35+ hotels—and the number keeps on climbing! Our journey of growth is fueled by the passion to create fantastic stays for all. Each new hotel is much more than a place to rest. It's a fresh page in our ever-expanding travel story. So, where to next? Stay tuned as we continue writing the next chapters!

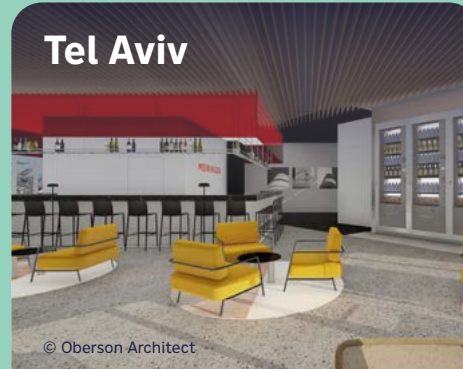

Edinburgh

MEININGER is opening a new 157-room, 549-bed hotel near Edinburgh's Haymarket, a major transport hub. With tram stops, the main railway station, and St. James Quarter nearby, it offers a central, well-connected base for exploring the city.

Kaufman & Broad

The MEININGER Hotel in Strasbourg will open at 16 Place de Gare, opposite the main station, with 114 rooms and 349 beds. Just a 10-minute walk from La Petite France and easily connected to the European Parliament, it's ideal for exploring the city. Developed by Kaufman & Broad, the 8-floor building will also include a Europcar branch on the ground floor.
